Compassion Sunday

On Sunday 12th January we will be joined by Matthew Han from Compassion who will be sharing about the work Compassion does and offering us the chance to make a difference.

"Poverty robs children of their basic rights—to an education, healthcare, self-belief and hope for their future. But more powerful than the lies of poverty are the hope of Jesus, the care of their local church and the encouragement of a sponsor.

Compassion Sunday is an opportunity for you and your church to find sponsors for children and give a hope more powerful than poverty."

-Compassion website

So if you are interested in finding out more about child sponsorship and the work Compassion does, please make sure you come to hear Matthew speak, and please invite others along too!
